

Application for Freshman Engineering Design Peer Mentor

Application Deadline: 5:00 P.M. EST, Monday, July 8, 2013

Peer mentors assist students in the Freshman Design fall/winter course sequence (ENGR 101/102). Each section will be co-taught by a faculty member and graduate engineering design fellow. Peer mentors help freshman students during lab classes and attend the weekly, one-hour lecture. The commitment for this position is flexible (up to 10 hours/week), and peer mentors receive \$10/hour. Peer mentors must be on spring/summer co-op cycle.
